

Active Times Table Homework 4x

Can you use your stairs to practise your 4x times table?

- Make your own times table cards and place them on the steps. - Every time you go upstairs recite what is on the cards.
 - As you feel more confident, you can begin to remove the cards and say the 4x times table from memory.
- Can you encourage your parents, grandparents and siblings to join in too?
Can you take a photo of you doing it?

 **Challenge** – Ask your adults to post to the Links SSP Twitter page @LinksSSP and @movemoresheffield using #LinksActiveHomework

<u>4 Times Table</u>	
$4 \times 0 = 0$	
$4 \times 1 = 4$	
$4 \times 2 = 8$	
$4 \times 3 = 12$	
$4 \times 4 = 16$	
$4 \times 5 = 20$	
$4 \times 6 = 24$	
$4 \times 7 = 28$	
$4 \times 8 = 32$	
$4 \times 9 = 36$	
$4 \times 10 = 40$	
$4 \times 11 = 44$	
$4 \times 12 = 48$
